Appointment Status: Requested, Pending Confirmation

Appointment is not yet confirmed. City staff will review your request and will send a confirmation email.

Service Name: B-Permits

Service:

Prior to Applicants scheduling a meeting to discuss the B-Permit process, Applicants should initiate a B-Permit Application through [BOE's Customer Service Portal](#). Once a B-Permit application has been accepted, Applicants will be assigned a B-Permit Plan Checker.

A B-Permit is used for the design and/or construction of major streets, sewer, storm drain, and structural improvements where new grades, elevations/depths, and structures will be created through any property or right of way owned by or under the control of the City. A B-Permit may be required, per [LAMC 18.05\(J\) 2-3 - Private Streets](#), Lot or Building Site Standards, [LAMC 17.05 - Design Standards](#), and [LAMC 62.105 - Streets, Sidewalks and Other Improvements - Permits Required](#), when making similar improvements on private property a B-Permit would be used to confirm the improvement being made are to the satisfaction of the City Engineer.

Additional information can be found in [BOE's Online Development Services Manual](#).

You will receive an email confirmation with the above details as well. The email will be sent to your Angeleno registered email address.
